EDUCATION

University of Groningen

MSc	Information Science (<i>cum laude</i>)	Sept 2021 - Aug 2022
BSc	Information Science	Sept 2018 - Aug 2021
BA	Communication & Information Sciences	Sept 2016 - Jan 2020

PROFESSIONAL EXPERIENCE

Doctoral Student, *Technical University of Munich* April 2023 - now
Funded PhD position in researching various applied NLP fields.

Junior Machine Learning Engineer, *Web-IQ* May 2021 - March 2023
Web-IQ structures and collects OSINT data that is used in solving crimes such as fraud, child abuse and human trafficking. I worked on a variety of NLP machine learning solutions, such as a transparent topic-based system for calculating risk scores for texts, an entity resolution service to assist analysts with entity disambiguation, various text classifiers, and the labeling infrastructure required for them. I also created and optimized CI/CD workflows for the machine learning team.

Software Developer, *Beepronger* Jul 2019 - May 2021
I worked on projects ranging from apps for start-ups to planning software for construction companies. Most of my work was in software that dealt with billing and planning, including interfacing with numerous external (legacy) systems to import or export data from and to. I had regular contact with customers regarding technical directions of projects.

Student Assistant / Research Assistant, *University of Groningen* 2018 - 2020

- *4 months* - Teaching assistant for the 1st year BSc course *Introduction to Programming I* (Python)
- *4 months* - Created content for the course *Philosophy of Communication* and translated existing Dutch material to English (under dr. W. Vuijk)
- *4 months* - Assisted in translating the book *Onderzoek doen met vragenlijsten* (Doing research with questionnaires) from Dutch to English
- *12 months* - Assisted prof. dr. J. Hoeks in a range of research and teaching tasks: creating and analyzing questionnaires, transcribing interviews, translating and distributing research material, representing student vote in hiring assistant professors (2018 & 2019), supervising exams
- *1 month* - Created yearly report and writing manual for the *Scholierenacademie*

SKILLS AND INTERESTS

Computer	Professional	Python, Typescript (Javascript), PHP, (My)SQL, Java
	Academic/hobby	L ^A T _E X, C, Prolog, R, SPARQL (RDF)
	Notable libraries	Spacy, Huggingface, Pandas, Pytorch, Laravel, React(-native)
	Other	Comfortable with working in Unix-like environments, good and practical knowledge of git, basics of ci/cd, basics of Docker
Languages	Dutch	Native speaker
	West-Frisian	Native speaker
	English	Professional speaking and writing skills
	German	Beginner (taking lessons currently)
